12:18[/quoteNice class - God did it, the end.

Bullz eye! That's the 100% truth.

Sarcasm?

No, the plain truth. The simple plain truth people are refusing/having trouble believing.

Your powers of persuasion are astonishing, now ive seen the light. All this proof that evolution is correct must be fasle now that ive read that statement.

ok, now seroius reply. Life only has the meaning that you give it.
