Cat998 wrote on Wed, 02 May 2007 08:42: There is a wonderful help file in mirc, which does not leave any questions open. Simply type /help and all your questions are getting answered xD
No really, that's the way I learnt it, I never needed any other resource than this help file, and now I'm a mirc guru ^^

Agreed! The mIRC help file is the greatest tool I've learned to use. But one piece of advice...DEBUG...DEBUG...DEBUG!!!! Learn to debug well...
