Madtonebah, its hard to explain it any simpler than i did in the tut, sorry mate...

Maybe try and just read it a few times and follow through it step by step, then more than likely, every time you read it/follow it you will pickup more and more and eventually be able to do it.

Sorry i can't help more

I have to agree, this is the price one must pay to move ahead. heheh Read, Read, and then Read it again. lol
