F)are those fiels ok for CTF? becuae thats what im making

No, that was for AOW.

I downloaded www.black-intel.net's updated SSCTF and added the code you need to theres and compiled it.

You can download the files you need (with source) here:

http://www.mp-gaming.com/reborn/coderelease/SSCTF292+BI_For_Joe.zip

This will work for your CTF mod.
