MaidenTy1 wrote on Sat, 26 May 2007 13:43 People should just open up new bars+clubs where smoking is prohibited. Surely they'll be highly successful and profitable.

What do you not understand, smoking or prohibited?

It was prohibited but thankfully, now its banned. They were always "highly successful and profitable" and will continue to be. HmMMM! smell the fresh air, but there just will not be smoking.

Why?

Its banned
