Spelling/Grammar: This is a gaming forum, not literature. Keep the urge to correct to yourself. If it pains you so much to see someone misspell a word, miss a comma, etc., give them lessons in private because we don't want to see it on the forums. However, we would appreciate it if everyone's post was at least legible.

RTFM, it needs to be readable, and this one is clearly not.... Its not just a comma, or an extra letter, its just the whole post not making sense....

Re-Read a few lines of post, "How to add Turrets, etc", Obviously he needs Level Edit.
