Amunra, u cant talk. Our 15 year old brains probably have more brain power than yours, ive saw u how ever old u are, looking like ur 16 with ciggarets, u cant talk, my spelling sucks, I know.

And fl00d3d, i really dont remember me threatinin anybody to hack them, mabye i have. But tbh to all the ren community, I dont know how to hack, or how to DoS, TSDoS yes, but not IRC or Website.

People think that because stuff is coming out of there mouths, it means something all the time. It dosent it means that a lot of people are talking shit.

This topic is getting way off, lets get back to the story. Matix came to get shit off his chest, but you flame him. Mabye his chances are up, but dosent mean you have to flame him. He posted right after the first post, asking to not post here. But hey Rene Drama, they gotta start something right?

People have no idea of what stopping is, I know from reality experience, if u dont stop, people will fuck you up, and will not stop messing with you.

The Ren community is like that. They keep hitting them with hammers to see what excitement they will get out of some1 elses posts.

I only came to post here, to tell people that its not a big deal that hes Matix, he was caught. Big Deal. Get over it.

sure, alright.

whatever helps you sleep at night

That statement was slightly hypocritical, yes.

I would provide you a more detailed explanation right now, but I'm stoned off my ass right now and I can't think.

my 2 cents anyhow.
