gamemodding wrote on Sun, 03 June 2007 20:32Sorry, more settings...

I didn't upload the source because i already have
Thanks... again again... again! But, it doesn't do anything. :/ I added the script to the characters, but they stay the same thing. Will this work on the renegade team? (There's a neutral, nod, and gdi team... there's also a renegade team which is good for free for all i suppose)
