danpaul88 wrote on Tue, 05 June 2007 01:543.2.3 works fine on vista for me. I tend to get the DX error if I try to run DirectX in debug mode, if you have the DirectX SDK installed ensure you have it set to use the retail packages.

Ok... can you please give some instructions or something to follow? cause i really dont know what the DirectX SDK or the retail packages are about.

Thanks in advance!
