Well, it started off as a n00bstories thing. I think I'm going to have 5 or 6 guests from out-of-town not including several people who are local to Phoenix who I will be inviting more publicly when it gets closer.

I'm hoping after this first year, we'll be able to have a bigger event next year rivaling the size of the second (and last) Pits get-together.

But, if anyone reading this wants to come to Phoenix in 3 and a half weeks, PM me.
