trooprm02 wrote on Wed, 06 June 2007 21:59 Well thats more for the american players, way to big of a hasle for any canadians to come. Mine is more of a smaller idea, for anyone in ontario, or bordering provinces becasue I border a few so its easy for us to do this, vs an american idea, plus I wasn't banking on any EU's or anyone to fly for that matter

It's a hell of a strain for people this side of the pond too lol
