I haven't watched DBZ in 6 years. And you obviously don't know me to judge me based on my avatar. There's a reason for this avatar and why I use it. Was custom made by someone who I rely on for things when needed so it's in respect to him. But then again, why's it your business?

you basically fucked yourself over right there, because you spent 6 hours looking for logs of you kicking me for fucked shitting all over ur clan "members" ingame.

Took less than 48 secs tbh. IRC scripts makes things so much easier. I don't see how that "fucked" me over...

Which reminds me, remeber the time we RAPED you guys 2vs2 aow? haha, that was a good game, you guys sure tlak alot of shit, but then when we played you, (mesa, we were nod LMFAO), everything fell throught?

No? Only thing I remember is your poor spelling and grammar and the fact that you dodge everyone who's ever challenged you (and your so called 'clan'). You never played us, but I guess you seem to believe so in your imagination. And I don't know what's with you and Visions (Atomicway) that got you thinking he's in DI? He's like your level of skill, garbage. But I guess it makes you feel better to think he's in DI because you defeated a n00b in some sort of 2 v 2. What ever floats your boat I guess.

p.s:when i find the ss's, you find em here, maybe a vid too, di ont remeber.

Ya post them. Don't shit your pants when you find you never played us. And don't bother photoshopping screenshots. I don't want you to jump out your window with your mouse cord strangling you. While your at it, look for that video of you losing to us in sniping on Islands and you bitching to play on Sand because we wall hugged you. Also, hopefully in the process of your search, you find logs of you dodging us for City_Flying bridge snipe game. All true events unlike your barney imagination clanwars.

Oh I hope you find a video too. Afterall, you do video tape every Renegade moment of your life if

I'm not mistaken.

Oh yes we're lucky to not have a dodger in CW.CC!!! N00bs Bigd442 and Dax109 have more balls than you.
