The only thing that could be turned off is the *cheat name removed*cheat but of course seeing as it looks so much like I am cheating every day in there.

You just don't get it, do you? I didn't ask whether you were cheating again because of the screenshot, I asked whether you were cheating again BECAUSE YOU HAVE A HISTORY OF CHEATING... dumbass.

c0vert7 wrote on Thu, 02 August 2007 12:26Spoony just doesnt under sarcasm and just cant let the fact go I killed his refinery and he is obviously still pissed over it. He is just constantly tryign to drag that into each thread I post but thats his choice. And he says I have bad sportsment ship . Nice lie, geek. Unlike you, I don't get angry at losing a game, let alone one building. You got SO FUCKING FURIOUS at getting raped by Mike and his bro in a sniper game that the only way you could vent your renerage was by coming back with cheats.

I don't know what's more pathetic: you for being such a fucking LOSER for getting so angry at being outplayed in a computer game, or the fact you lie to everyone AGAIN by wrongly accusing me of things you're guilty of.

Go snap over a computer game again, geek... or you could realise there's so much more to life than this.

And yes, I do say you have bad sportsmanship,
BECAUSE YOU GET SO ANGRY AT LOSING A COMPUTER GAME TO SOMEONE BETTER THAN YOU, THAT CHEATING IS THE ONLY WAY YOU CAN VENT YOUR RAGE.

That not only makes you a bad sportsman, it also makes you a sad, pathetic, lonely little bitch.... go make some friends in the real world, loser.
