Question: are you physically unable to stop posting, or is it simply a case of not having anything else to do with your time than vent your furious anger at being called a geek? Something which, let's be honest, wouldn't realistically make a mentally well-adjusted person as angry as it made you? I ask only for information, though I don't expect a remotely intelligent response from a compulsive liar and a cheater.

Spoony, just give it up. He's not going to listen to the voice's of reason here.
