Subject: Level Edit- Base Textures Black??
Posted by Halo38 on Sat, 28 Jun 2003 19:29:08 GMT

No I haven't done that yet, this happens the first and all times i load up a level....

Does anyone else get this problem? i'm trying to find out what causes it but localising the problem is proving difficult.

It's easily fixable but a bit of a pain
