Subject: objects.dbb problem
Posted by a000nwo2 on Mon, 06 Aug 2007 23:46:19 GMT

I just got done with putting a Crazy CTF Mod into my RenegadeFDS/Server/Data and it says this when i start up my server.

- This is what it says in FDS

Failed to load objects.dbb file for map C&C_Feild.mix. Defaultin to objects.dbb.
