Don't even play on like you have a girlfriend, we all know you sit there and play with your hand, named palmala.

Oh, he does. He's just like a little ol' Spider Monkey. But he prefers calling it Arnold Palmer, because my little poopertrooper just goes bananas for hunky old men in polo shirts!

Speaking of Bananas, I think I need to make mine cream. If only troop were here to unwrap it. Unfortunately, he likes his 'bananas in bunches.
