Subject: Re: Graphics driver n00b Posted by Veyrdite on Thu, 16 Aug 2007 10:46:55 GMT View Forum Message <> Reply to Message

I have a Graphics card lying around somewhere a year or so old, but i have never used it. Hopefully i will discard my retarded "Dell Dimention 3000<budget plastics and co>" and buy myself a new one soon, probably construct my own as i already have the graphics card, a dvd rewrite and a (80 gig i think) hard drive.
