Xtrm2MattHavocmanE T Owns. DaveGMM Owns as Covert ops. And i Own in Support fire, Medical Skills and Engineering.

I'll have to give you a game some time. Catch me on irc.dom-guild.net as {DG}Xtrm2Matt and we can arrange to hop into a game sometime

(Btw, if i be Field Ops, i ALWAYS (literally) get best field ops, so watch out wid' my skillz! , and im good at sniping with the Cover Op sniper too, so it will be fun i think )

Not that I'm insulting you..

I find that "The best feild ops" don't know how to shoot a gun properly. Then only know how to throw a grenade, or aim with their binocs.

Are you the exception that proves the rule?
