z310 wrote on Fri, 31 August 2007 15:10I see nothing wrong. Your car is on their property.

They cannot tell me what I can and cannot do in my car. If this was a normal rule, no one would notice it and no one would have any problems with it. But because it is so retarded and abnormal, it gets noticed by people.

IMO, a law (a good, fair and well written law) is supposed to make people automatically obey it without any complaints. A good law does not incite people to rebel against it.
