Ghostshaw wrote on Wed, 12 September 2007 06:02It will take up time setting it up and managing it...

-Ghost-

All it would take is to set it up (max one hour), get an irc bot, install BIATCH, and run SSGM.

and managing it...

If a few of the scarcely-populated servers wanted to shut down and help run this project, I might consider supporting the idea.
