Or you could take the decent staff from (unfourtunately) failed servers like Xphaze. (:s)

I'd happily help to maintain it, I know what I'm doing both as a moderator and I've used local copies of the FDS before. Learning BIATCH and the differences between 1.52 and 1.43 in Brenbot won't be too hard.

Edit @ nightma, I could donate a little, it's easier as you're UK based.
