C C\_Ren-APB wrote on Thu, 13 September 2007 01:55I have and only use it on my server, and yes it was buggy but i dont release it, cuz it's to far advanced for the average "joe".

And a good programmer should take to Any type of criticism good or bad , as it's all good.

Not reply like some imature child.

It's says alot about the person in question.

I must say that this is the best brenbot so far. And everyone (should) know that I'm not the greatest fan of brenbot. But it's better then the other often used bots like NR or CS.
