If you see someone on GameSpy pretending to be me. It's not. I never play GSA mode.

16:10:29] mac: [21:16] Player Blazer joined the game
[21:17] mac|1*tC: blazer?
[21:17] Blazer: yes?
[21:17] mac|1*tC: are you the blazer i know?
[21:18] Blazer: o i dont now you
[21:18] Blazer: know
[21:18] mac|1*tC: i see

Then he left and came back as "Blazer0x".

[21:28] Player [KaoS.Blazer0x] joined the game

Now it's no surprise to me that someone else would use the name "Blazer", but I have never seen anyone else use "Blazer0x" except for me. Its my AIM name, and WOL login.

So, if you see a Blazer or Blazer0x on GSA, it's not me and thus don't believe anything he says regarding things I'm involved with.

This has been a public service announcement
