<http://www.ea.com/cncmovies/tiberium.html> to watch all in-game movies again and again and again for all C&C games, ofcourse including Renegade! <<<<OLDNEWS

1. EA seems to have taken it down for now, they probably discovered something that shouldn't have been there

2. What's so old about it? It was announced during the 2nd episode of battlecast primetime, released Thursday
