Subject: CTF maps
Posted by snipefrag on Wed, 05 Mar 2003 11:40:15 GMT

hehe, kirby m8 "STOP LIVING IN THE PAST !!"

Well thats good if people are interested and others are making CTF maps i will make one because if you think about it if there is only 1 CTF map around then who is going to host a CTF server... it would be a bit repetative to say the least...
