edwardckw wrote on Wed, 24 October 2007 17:59I am just a Renegade addict from the beginning of time Kirby. I have been offline for more than 4 years already. Was all over the world during that period..iraq, indonesia, india, etc doing some humanitarian work...great to be back and I remember most of you here.

No worries. I never paid much attention to the ladder, so that may be why. Were you active here?
