Quote:Except they are a big threat. And if they keep threatening to attack Isreal we have to help Isreal out because they're our allies.

No, they're aren't, except when the first missile is fired.

Even if they manage to beat Iran they could still cut off supplies lines to American troops in Iraq, and they would convince their allies and Shia miltias in Iraq to conduct major reprisal attacks on said troops stationed there.

Thus, if the US wants to attack Iran, they essentially stand to lose bigtime in Iraq.
