Quote:The connection has timed out
The server at www.divshare.com is taking too long to respond.

* The site could be temporarily unavailable or too busy. Try again in a few
  moments.

* If you are unable to load any pages, check your computer's network
  connection.

* If your computer or network is protected by a firewall or proxy, make sure
  that Firefox is permitted to access the Web.

yes,damn site..... try sometimes in 5-10 min and you get it,its overloaded
