Sir Kane wrote on Mon, 29 October 2007 03:53Is "and its better Sir Kane's ('_")" supposed to mean "and it's better than Sir Kane's ('_")"?

If so: lol.

You can't even manage to get the textures right.
i download FEAR game and SDK, if i want i can make exactly same hud what you made. but its not nice idea so i make new.....
and i still working with rims texture,,, nod almost done lol
