Starbuzz wrote on Tue, 30 October 2007 14:44 Well, I was not here back then but I can say that when I did come in here, I instantly noticed Dave Anderson as a mature forumer and though we don't know each other, I have a lot of respect for him.

And so I was a little sad a while back when he changed his siggy and replaced it with "Not viewing the forums anymore..."

I was sad much but now I am glad he is back.

Good day, Dave!

NOTE: I just had to say this about Dave.

The thing about Renegade forums is sometimes its just best to leave and take a break. When you feel the urge to flame someone, or put someone down, simply close your web browser. Eventually Renegade forums will cool down and you will find it a delectable place to post again. It seemed at the time there was a flood of tardism on the forums, so I simply quit reading them for awhile.
