Sad situation? I don't agree with being 17 and a father, but having a child isn't a "sad situation". If you're looking forward to having a kid, it's a great time. Sure, he may not be ready for it, and I do feel somewhat bad for the kid based on what I know about 17 year olds raising kids. Who knows, he may be ready. Generally, though, I can't believe he is. Still... a child birth is a wonderful thing.
