If you're looking forward to having a kid, it's a great time. Sure, he may not be ready for it, and I do feel somewhat bad for the kid based on what I know about 17 year olds raising kids. Who knows, he may be ready. Generally, though, I can't believe he is. Still... a child birth is a wonderful thing.

Oh, I have my full family behind me.

I'm noy raising this kid alone, I have my mother, and grandmother which will take the load off as much as possible.

Still, I barely know right from wrong myself, I guess me and my kid are going ot have to grow up together

Hey! At least your kid will probably be healthier than others when he's born.
