razorblade001 wrote on Tue, 13 November 2007 16:10But what if, just what if, your barbecue caught on fire and you only had 3.7 seconds to tell somebody over the internet that something is wrong with it, under penalty of death?

You would therefore be forced to type it like that and thus saving you're life!

Now, thanks to me, you're life has been spared!

Just don't post on the Internet, and if you have to, you can always explain what you meant later, but it just seems unnecessary to have to post twice to say the same thing.
