and as for teo, you teo can leave!

and about the whole black hand studios and bss it is no where related...

i got my nick off the game cuz i like the black hand character and ferkhat wanted to make a studio with me and i said ok and he said lets name it black shark studios because it is kinda named after me and there is a black shark helicopter which aydynbek likes a.k.a the ka-50

so no it is not related

if anyone makes an assimilation of the studios being related in any way besides the black part is mistaken

Can't even spell my name right. Retard, this is why you shouldn't be homeschooled. Or, perhaps your family was incest made and they all have genetic defects?
