trooprm02 wrote on Tue, 11 December 2007 17:05Um, EKT has always been the shit-stain of WOL clans, Sadukar knows I was always right whenever I said something about them, after he quit slitting his wrists, he finally saw (after months) how bad they were, and took my "advice" and left. Funny thing? The entire time he was defending them, yet at the end quits, and now is called other EKT people faggots, ROFL

Second point, he is a lonely kid, he's obviously gonna take this as me insulting him, but really, he has this site set as his homepage, he doesn't play any sports, no other hobbies, what else is he gonna do. In all honesty lol, I wish I could play ren 24/7, im sure it would be fun for the first few months, but in the end..you get the point. The only thing that can be said, is atleast he's "passionate"? He's 1 of the few people left that show they actually give a dam about this game on this forum, and thats more than can be said about several people, including you mr.stereodog.

If you think ive forgotten about jshultz/{WG}, your wrong, that whole clan was just a big cheatfeast, which makes me auto suspicious.

Stfu.
