Yeah you pretty much hit it right on. Seeing as how it has people such as HORQWER, Missilexx, and other people who no one really cares about, it seems to me like it's just a steaming pile of 6 month old horse shit on top of dog shit on top of cat shit.

Honestly though, I AM getting fairly tired of all the "LOL HORQWER DEFEATED" "OMGZ HORQWER AT IT AGAIN!11". It's pretty damn obvious by now that no one can be THAT stupid, so he's just another internet attention whore, regardless of what KIND of attention he gets.

Just let it all die. And if you see him, simply ban him if possible. No questions asked, no big topic about it, just ban. It'd save everyone alot of trouble.

Also, John, I kinda told you that if you're gonna ban him, don't be all "LOLZ HORQWER BANNED" because it'd just make things worse.
