Stair's To GetOn Top Of The Building's Where Do I Get Them  
and Add Tem To My Map As Flying Is Aloud And They Might Beacon Roof

So The No One Can Get On Top To Disarm It

You really need to stop typing like that, it makes it unreadable and will really fuck you over when  
you get a job.

Are you asking how to get the flying stuff in Level Edit?

If so go to terrain > map > add ramps and flying includes.
