Coveman wrote on Wed, 09 January 2008 16:07Can I get his IP please. I want to make sure that he is banned from all the servers I can show this thread to. Its pretty damn clear he was using RGH.

Crimson please post his IP. Ban him from RenGuard while you're at it.
you are idiot HoLeman,give me link for this shit, i want it...
by the way for that noobs who cant read, here how i play normaly
after that you all must shut up about some hacks from me. (i used only objects.ddb in coops,thats all, in last year
