---

ok i was makeing my map took about 2 - 3 hours now and i nearly finished it i went to level settings in edit drop down menu and LE crashed i try and open my map again it sayd mp\_Nod\_Refinary is incorrectly linked so i clicked ok as im not useing that and that was only thing to press then i went to open to open my map as i saved it and it wont open and has a ERROR

this is what is dose when i choose mod package

this is what it dose when i open it

i have used a differant Objects.ddb file aswell but dose same thing
