Bottom line here: Tiberium's existence doesn't rule out the possibility of more C&C games, it doesn't even rule out the possibility of a true 'Renegade 2'. If you can't stand the thought of the game, don't buy it. The C&C series is losing nothing by its existence.

Yup and I agree. The only thing is, if they do plan to make a Renegade 2 down the line, it'd have to be quite a few years away.
