The best song and movie ever made, when I was young I played this movie gray. By one of the best OS Music composer in the world (Hans Zimmer)

http://nl.youtube.com/watch?v=Nh8AO64JKx0&feature=related

That's where i remember that song from! I've heard it around but never rememberd what it was from.

And The Rock is a good movie, i'll give you that, but it's not the best. War of the Servers is better than The Rock, in my opinion...
