Speedy059 wrote on Tue, 05 February 2008 20:33 Isn't Budweiser popular, and they still advertise. Isn't Windows OS popular? And Microsoft still advertises it. Isn't ford/nissan/etc all popular car manufacturers popular in America? And they still advertise...

I've only seen one Microsoft Ad in my entire life, and that was when Vista was first released. Compared to the shitstorm I'm drowning in every time Apple makes a minor adjustment to their OS and slaps on a new feline name, or miniturizes the iPod some more, Microsoft doesn't advertwise at all in comparison.
