Hey if there is anyone out there interested in helping a few of us witha new mod contact me on
my msn messenger.

this is one of teh biggest mods u will ever come accross, we havea storyline backgorund to it and
a list of all teh new items we intend to make and tehre is a lot approximatly

20 buildings   10 per side
26 Characters 13 per side
26 Vehicles   Air Sea and Land
26 Weapons   13 per side

and 10 new MP maps to play this game on

more infro will be found out by contacting, serious intrest only as its so big and we need a good
team to make it happen

thanks guys and by the way if this works as planned it should bring every renegade owner back to
this game and play it online alot
adios
