Aircraftkillerkawolskywell, this must show everybody what type of FOOL you are AIRCRAFTKILLER. Somebody gives you a public appology for a trivial thing and you can't even accept it as a genuine gesture, which it was, you just feel the urge to insult a bit more . YOU ARE THE IDIOT. HOW I WOULD LOVE TO MEET YOU. you are totally arrogant, offensive, and probably LONELY with your type of personality. Lots of people on these forums will agree with me. I've read your ignorant remarks to inoffensive people before. I won't respond to any more posts from you and certainly won't appologise for this post.

Okay, so lets get this straight... For your story to be true, you must have told your brother about me.

Your brother cannot just go "TankCmdr6 = Aircraftkiller" unless he's been in this community before, or whatnot... And I don't believe that's the case, because you've never once said anything about him before. So, your "piss off ack" comments are pretty much coming directly from you.

So, you see, you're trying to cop-out and think I'll forgive you for lying to me. No, "Homey don't play that game."

"YOU ARE THE IDIOT. HOW I WOULD LOVE TO MEET YOU."

You sure you want to meet me? Hey, I'm all for it...

You can take a trip down here and we'll settle things out, if that's what you really want.

That's my address - feel free to stop by.

Do you honestly believe I care if anyone agrees with you? I know I'm right, I know I'm arrogant, and I know you're not going to do a fucking thing about it except sit here and whine.

Of course, you won't respond; why? You're wrong. You can't support anything - you were the one who began everything, yet you cannot finish it.

Coward.

Complete and utter Ownage.

Well spoken, Mr. Holmes.
