Subject: 3-D Models?
Posted by _SSnipe_ on Thu, 14 Feb 2008 05:24:13 GMT

Ok this is a request anyone know of a software to crate 3-D models of shapes to show someone?

Kinda like me and my dad need to build somthing im designing it but drawing it on paper wont do....i need something i can make a 3-d model of how i want it to look then be able to put it on a flash drive and show my father.....kinda like a 3-D blueprint
