Cabal8616 wrote on Sat, 08 March 2008 17:41 Just as a sidenote, this thread is meant to be your FAVORITE character, not the one you play most as. Meaning, the one you enjoy playing as alot. Personally, I tend to be a technician/hotwire more than 50% of the time, but when I get the chance to, I LOVE being an SBH.

Yeah, that true. This thread is about favorite characters not "the best characters." That's why I listed them all though Hottie/Technician is the first thing I get once I have 350 credits.
