Subject: WTF?
Posted by Sk8rRIMuk on Sat, 19 Jul 2003 17:31:14 GMT

LaeubiWhy your not posting in the fucking Tech help Forum?
Why your not describing your fucking problem?

:rolleyes: All I had to say for now :rolleyes:

To True

Hmmmm KingMuir7

Is it Renegade the app or is it the net thats not working or could it be that your so fucking st0pid u forgot to put the CD in the CD Drive?

We are not mind readers (although that wud b kool)
