Ok, Slave checked something for me and these are indeed the co-ordinates.

[12:19:36]

DAMAGED;VEHICLE;1500071644;CnC\_Nod\_Harvester;-9;64;1;-95;1500059101;CnC\_Sydney\_P  
owerSuit\_ALT2;-8;95;9;178;80.000000;580;540;4251

harvester = Y -9 X 64 Z 1 F -95

stoner = y -8 x 95 Z 9 F 178

Resulting in the following image:
