Berkut wrote on Fri, 04 April 2008 12:35I remember when I first switched to FF. After a few hours, I was like, "Oh sweet nectar of the kbps gods, thank you JESUS!"

I despise IE, and hate on my school's network administrators for even allowing access to it... and for forbidding installation of FF on their computers.

Use a flash drive with portable firefox on it, like I do.
